Dear Superfund Colleagues:

Rich called me yesterday and asked if we would be preparing a hot topics paper for Ken regarding CA/NV. I will be providing a bio of who he will have lunch with. We feel like hot topics will be overkill. Alexis and Deborah will join them and can fill them in if anything comes up. The one briefing paper we should provide is on Anaconda. Can you all update the Anaconda transition paper and provide it by COB tomorrow.

Do we know if Mr. Kelly will be coming with Ken?

I will ask Ken's people and also get shoes size for Ken (regarding steel toe boot)

Thanks
